PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 18th March 1968

SUBJECT:—*Conditions for licensing Public/Private Sector Imports under the Sixth Austrian Credit 1967-68.*

No. 43-ITC(PN)/68.—The conditions governing the issuance of import licences under the Sixth Austrian Credit 1967-68 as given in Appendices I & II to this Public Notice are notified for the information of the trade.

APPENDIX I

Conditions for licensing public sector Imports under the Sixth Austrian Credit 1967-68

1. Firm orders on C. & F. basis must be placed on the Austrian supplier within three months from the date of issue of the Import Licence. If orders could not be placed within three months, the licence should be submitted for revalidation during the fourth month giving the reasons for the delay in placing orders and indicating the date by which orders would be placed. Such requests will be considered on merits by the Chief Controller of Imports and Exports or the Iron and

steel Controller in consultation with the Ministry of Finance (Department of Economic Affairs). The importers who are able to complete placement of orders within the three months period stipulated above can, however, seek suitable extention in the validity of their licences, based on the delivery schedules given in the contracts as soon as they have completed the ordering. Extensions in such cases can be given by the licensing authorities without consulting the Ministry of Finance (Department of Economic Affairs).

2. The contract of supply between the Indian Importer and the Austrian supplier is subject to the approval of the Governments of India and Austria for being financed under the Austrian Credit arrangements. Importers should take special care to inform the suppliers about this condition and also incorporate a clause to this effect in the supply contract. Moreover, orders once approved will not be cancelled without prior concurrence of the Department of Economic Affairs.

3. The value of the contract should invariably be expressed in Austrian Schillings calculated at the rate of 1 Austrian Schillings—Rs. 0.291. This rate will stand modified if the I.M.F. parity rate undergoes any change. The contract should normally provide for payment on cash basis, i.e. on presentation of shipping and other documents to be specified in the contract.

4. Four copies of the contract, when concluded, should be furnished by the importer to the Ministry of Finance, Department of Economic Affairs, Europe-II Section, New Delhi. The following information should also be sent to the Department of Economic Affairs alongwith the copies of the contract:—

(i) Details of the Import Licence—

- (a) Number

Since the processing of the contract till it is approved by both the Governments takes some time, precise dates of delivery indicated in the contract might lapse necessitating fresh delivery period being indicated before payment is authorised.

(ix) Details of shipping documents which the Austrian National Bank should demand from the supplier before making payment, together with the number of copies of each document required.....

(x) Indian Agents' commission, if any, included in the contract

(xi) Date upto which the letter of Authority to the Austrian National Bank should be made valid

(xii) Special instructions (e.g. the percentage of the invoice amount to be paid to the suppliers on presentation of documents).

The payments to the Austrian supplier under the contract will be made by the Austrian National Bank on the strength of a letter of authority (in the form of Annexure-I) which will be issued by the Ministry of Finance, Department of Economic Affairs on the basis of the information furnished *vide* para 4 above.

6. On receipt of the copies of the contract, and the information required in paragraph 4 above, the Department of Economic Affairs will approach the Austrian authorities through the Indian Embassy in Austria, for approval to the contract being financed under the Austrian Credit. The letter of authority to the Austrian National Bank will be issued only after the approval of the Austrian authorities has been received.

7. The Austrian National Bank will be charging a commission of 1/8 percent of the contract value for handling the documents and also actual expenses incurred on postage and cables, etc. All these charges will be recoverable from the Importers.

8. The Importers will have to deposit the rupee equivalent of the payments made to the Suppliers in Austrian Schillings by the Austrian National Bank together with postal and other expenses incurred by the Bank. For this purpose, the Austrian Schillings will be converted at the rate of Austrian Schilling 1 = Rs. 0.291. Any revision in the rate of exchange will be advised to the Importers/ the branch of the State Bank of India by the Department of Economic Affairs as and when it takes place. They will also be required to deposit interest at the rate of six per cent per annum on the amount paid to the suppliers from the date of disbursement by the Austrian National Bank to the actual date of deposit of the amount in the State Bank of India and its Branches.

In the case of Public Sector Undertakings, the moneys specified in paragraph 8 above will be deposited at the branch of the State Bank of India specified by the Importers *vide* sub-clause (iii)(b) of clause 4 under the head of Account—"T—Deposits and Advances—Part II". The documents will be released by the Bank only after the money is deposited in Government Accounts.

In the case of imports by the departments of Central/State Governments (including State Electricity Boards etc.) the debits for the rupee equivalents will be raised against the Account Officer concerned by Accountant General, Central Revenues on the basis of advices issued by the Department of Economic Affairs—Economic Aid Accounts Branch.
